MYDHL+ IS THE NEXT GENERATION OF INTERNATIONAL SHIPPING

MyDHL+ offers all online shipping services in one tool. You can now import, export, book courier pick-ups, and track your shipment online faster than ever. Whether you run a small business or a global enterprise, MyDHL+ lets you ship exactly the way that works best for you. Welcome to the next generation of express shipping!

DISCOVER THE BENEFITS OF MYDHL+

SIMPLY EFFICIENT

Create a shipment, track it, or book a pickup –
all in just a few clicks. That's how fast and
efficient MyDHL+ is.

- Your own dashboard with instant access
  to the key information and tools.
- Quickly create new shipments using
  previously entered details.
- Shipping preferences to automatically
  fill in frequently used information.
- Smart templates for waybills and customs forms.
- Instant access to commodity codes
  prevents mistakes and saves you time.
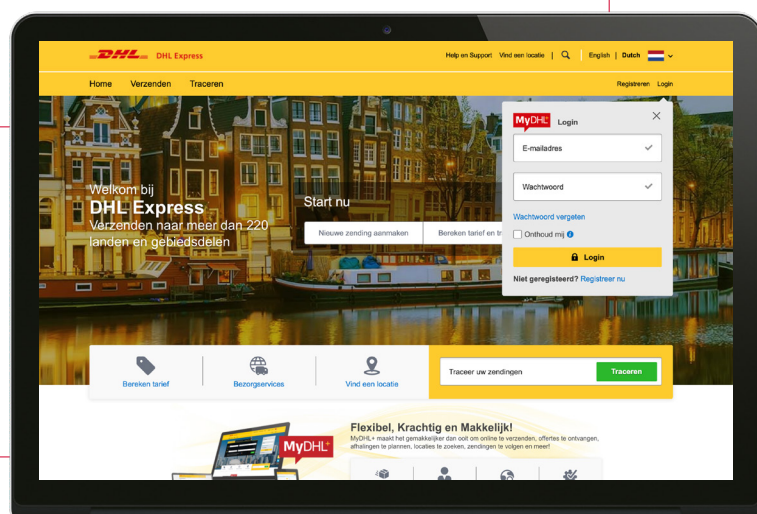

SIMPLY FLEXIBLE

MyDHL+ is an advanced process built to match your
shipping needs perfectly. It's suitable for one or more
users, from small businesses to multinationals.

- For one or more users, from small companies
  to larger corporate shipping environments.
- Centralized control and complete visibility
  of your employees' shipping activities.
- However you choose to ship, we provide guidance,
  services and features built around your needs.

SIMPLY TRANSPARANT

MyDHL+ gives you complete visibility
of your shipment details and status.

- Before you ship, you get an overview
  of the transit times and shipping costs.
- Including an estimate for duties and taxes.
- Online tracking: you know exactly where
  your shipments are at any given time.
- Share status information with anyone,
  personalized and from your own email address.

STARTING WITH MYDHL+

As a new customer you will receive an email to
activate MyDHL+. Immediately after activation you
will be fully ready to start using MyDHL+.

More information or questions?
On our website dhlexpress.nl you will find useful
