

MYDHL+ IS THE NEXT GENERATION OF INTERNATIONAL SHIPPING

MyDHL+ means more features and less steps with access to all the important online shipping services – one password, one tool. Importing, exporting, booking pickups for your shipment and online tracing are faster and easier than ever. Whether you are a small company or a multinational corporation, MyDHL+ fits all your shipping needs and preferences. Welcome to the next generation of express shipping!

DISCOVER THE BENEFITS OF MYDHL+

SIMPLY EFFICIENT

It's incredibly easy to quickly create and trace shipments or book a courier pickup. All in just a few steps, with the speed and efficiency of MyDHL+.

- Your own Dashboard with immediate access to the most important information and tools.
- Shipment preferences to auto-populate fields in recurring shipments.
- Customizable templates for waybills and Customs forms.
- Instant access to Commodity Tariff Codes prevents mistakes and saves you time.

SIMPLY FLEXIBLE

MyDHL+ is a state-of-the-art process tailored to your particular shipping needs.

- For one or more users, from small companies to larger corporate shipping environments.
- Centralized control and complete visibility of your employees' shipping activities.
- However you choose to ship, we provide guidance, services and features built around your needs.

SIMPLY TRANSPARENT

MyDHL+ gives you complete visibility of your shipment details and the shipment status.

- Beforehand an overview of the transit times and shipping rates.
- Including an estimate for duties and taxes.
- Online tracing: you know exactly where your shipments are at any given time.
- Share status notifications with others, personalized and sent from your own email address.

STARTING WITH MYDHL+

As a new customer you will receive an email to activate MyDHL+. Immediately after activation you will be fully ready to start using MyDHL+.
