More information

If you have any questions or would like to book a shipment, please contact our Customer Service at 088 - 0552 000.

The estimation of transit times is based on deliveries to major cities and is for reference only. Transit times can vary, depending on the size and content of your shipment, the origin and destination locations within each country. Our transit times are quoted in working days. Please note that deliveries to islands and remote or rural areas may take longer.
